To: Pewaukee Village Voice,

Thank you for inviting me to your Public Candidate Forum at the Pewaukee Public Library on March 25th, 2010. I will be more than happy to attend your meeting.

As for your candidate information survey, I will be more than happy to discuss these questions at the forum. Some of these questions are pertinent to my candidacy and some I believe are not. I do not believe it is professional to exploit a candidates personal information on your website. I know that it is important that the public know information about the candidate, however being an elected official in the past I'd prefer to withhold my personal information.

Sincerely,

Randy Demmitt
